Dear Judge Solomon Oliver, JR.

U.S. DISTRICT COURT
NORTHERN DISTRICT OF OHIO
CLEVELAND

My name is Jaysen Moslehi,
22 years old, I am writing
about this lawsuit against me
(1:16-cv-1400)

I. I started the facebook ^(group) page Autographs/or
as a sophomore in high school as
a sports chat page. People joined
and posted ~~under~~ as facebook members.
~~Group~~ Group member fees are
not allowed. The group was
free and policed by the members
since 2012. The page blew up to 18,000+
members of people sharing experiences, trade
talks of sports, and memories meeting their
heroes.

II. The past four years of my life have
been a struggle. I lost my Marquette
scholarship, my sister died this past year and
a half and my administration role for this
group was not at in play. My mind

, and body were suffering. The loss of my sister hit myself and my family hard. She had a child and my parents are getting old. It's my job to play a significant role in her life. Things haven't been looking up for me, being in college debt, and suffering emotional trauma. I am back in school just trying to recover and to take care of my niece Samarah.

II

I didn't have a major role in this legal issue. Allan Kowalcuz was portrayed as a reputable paying getty image owner. His work done on the free group was done by him. He illegally sold the images, and the group itself bought from him. I had no power to stop something when I wasn't fully present and known to the fact that this was done on a free

facebook group where members
join on their own ~~with~~ will.
with no approval of posts.
People post freely. Allen made
hundreds of thousands of
dollars. I personally had
no control on what was done
on this group. The group
was made for discussion not
for this type of stuff.

IV. Today's date is 8-8-17. I'm sitting
at a starbucks organizing my
college schedule looking, and
just seeing how far I've
come in my life. ~~There was~~
~~as far as~~ ~~and this is something~~
~~that I plan~~ I'm ~~am~~.

Your honor I didn't get any profit
from this. I am just a regular
college student trying to recover
from hardships in my life.

Sincerely, Jaysen Mostehi (Jay ~~the~~)
